

# YOUTH WORKER REPORT

The summer months are always an **important and rewarding part of our work** here in the COOL area and we are so thankful to God for all he is doing, particularly his presence and his protection.

Each of the weeks had **amazing teams of local volunteers** who gave their all to make the events an experience the children and youth would never forget.

There are just too many stories to share them all but as a flavour we saw children attentively absorbing God's word, children asking questions that made the most seasoned leaders have to think hard, parents asking if we could help them choose a Bible for their child who keeps nagging them to get one, young people raising their voices and hands in worship to Jesus, and hours of conversation with young people hungry to know more about what God is saying to them.

**Thank you so much for your prayers as we believe we saw the impact of them around us each day.**

## BACK TO SCHOOL WITH GOD

Over the last few weeks, we've had our Back to School with God all age service. It was a joy to join with so many people from across our area.

**Would you join with us in praying for our local schools and those who are involved in our local schools, our pupils, teachers and school staff?**

# WHAT WE'VE BEEN UP TO

## HOLIDAY BIBLE CLUBS

This summer, we held **three Holiday Bible Clubs** across our area. It was a joy to spend so much time with our local children and to be able to share the Gospel with them. Our theme this year was **"A Tale of Two Kings"**, sharing the story of King David and King Jesus.

Colin, one of our volunteers at the Lochcarron HBC, said his favourite part of the week was singing Psalm 23, which were also our memory verses for the week *"The singing of Psalm 23 each day was special. The young folks were taken up with the song which celebrates the greatest king of all- **King Jesus.**"*

## YOUTH ACTIVITY WEEK

We also had our Youth Activity Week in Glenelg. Activities included our River Challenge, Team Challenges, a wide game at Sandaig Beach, before finishing the week with a trip to the pools at Killilan. It was a **fantastic week** and we loved the opportunity to spend time with our amazing young people

## MAGNITUDE

We returned to Lendrick Muir to attend Magnitude Festival this July. We joined up with Skye Bible Church in Portree to take a group of 10 young people from across Skye and Lochalsh down for the week. We heard talks from Philipians which were really inspiring and it was amazing to see the ways **God was at work** during this week.
