MAY PRAYER FOR YOUTH EVENING

Our prayer for youth evening in the Lighthouse Centre in Kyle on **Wednesday 26th May at 7:30pm.** Lifting up our children and young people in prayer is one of the best things we can do for them, so I really hope this evening will be well supported.

DONATE TO COOL

Over the last few years, especially now that COOL has two employees, we've seen an increase in the running costs of COOL and all the activities we offer throughout the year.

WHAT WE'VE BEEN UP TO

ALTNACRICHE YOUTH WEEKEND

At the end of January, we took a group of **22 people** to Altnacriche for our Youth Weekend Away. It was a fantastic weekend, and we are **so thankful for the way the young people engaged with the talks and discussions over the weekend.**

Catriona, one of our volunteers, said about the weekend:

*"I was **very encouraged** seeing the kids grow and asking questions about what we have been learning while having fun and doing lots of different activities. Seeing God move was amazing, I continue to pray for them all that **they would trust in the Lord and his plan for them.**"*

YOUTH WORKER REPORT

Our regular school work and Friday Youth have been a great way to continue to build relationships

YOUTH WORKER REPORT (CONT.)

with the children and young people in our area. We currently visit **11 primary schools in the area after Shieldaig** invited us to lead assemblies there too. We will be meeting with all the P7's as they transition to high school.

In high school the lunch time clubs are a wonderful opportunity to speak to the young people and we have been very excited by the desire of **several of our young people to go deeper with God and a longing to study the bible together.** The change in their lives has been so noticeable and a beautiful witness to their peers.

Friday Youth continues to be a core part of our regular work with many young people through the door every Friday afternoon. We are **so thankful for all the volunteers** who give time to help with these and excited that **two of our young people** have been going through their **Young Leader Award.** They have already completed several levels and have shown great commitment and responsibility.
